- **high maintenance costs** = chi phí bảo dưỡng cao
- **expensive to own** = tốn kém để sở hữu
- **parking problems** = vấn đề đỗ xe
- **air pollution** = ô nhiễm không khí

Ví dụ:

One disadvantage of cars is traffic congestion, especially in big cities.

6. Cụm từ ăn điểm trong Part 1

- **To be honest,...**
- **Personally speaking,...**
- **In my opinion,...**
- **Most of the time,...**
- **When it comes to cars,...**
- **It depends on the situation.**

MẪU TRẢ LỜI B1-B2**Do you have a car?**

No, I don't. I don't own a car at the moment, but I sometimes travel by car with my family. I find it very convenient for long trips.

Would you like to own a car in the future?

Yes, definitely. I'd like to own a car because it would make traveling more convenient and comfortable. It could also save me a lot of time.

What kind of car would you like to have?

I'd like to have an electric car. It's environmentally friendly, fuel-efficient, and usually quieter than traditional cars.

4 NHÓM Ý**Ownership → Benefits → Favorite Car → Problems**

- **Ownership:** own a car, drive a car
- **Benefits:** convenient, save time, comfortable
- **Favorite Car:** electric car, family car
- **Problems:** traffic congestion, parking, cost
